

FaithFirst Expands | Coro Chronicles Podcast | Music Stories | Engagement Bundle

## FaithFirst Expands to Include The Deuterocanonical Books of the Bible

Coro Health has added the treasured **DEUTEROCANONICAL BOOKS OF THE BIBLE** to our multi-faith FaithFirst offering!

These sacred texts bring the full richness of the **Catholic tradition**, deepening the spiritual journey for our Catholic community.

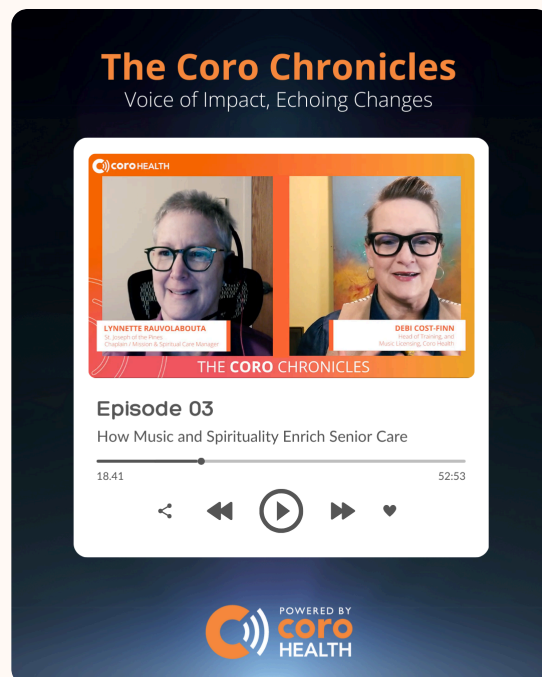

We're truly moved knowing these timeless scriptures—filled with profound insights and historical significance—will **strengthen faith connections** and inspire hearts. This heartfelt expansion reflects our commitment to nurturing the complete **spiritual experience** across all faith traditions we serve.

---

### Creating Community Through Sacred Songs

In this heartwarming episode, we welcome the compassionate **Chaplain Lynnette RauvolaBouta**, whose life's calling brings the healing touch of faith and melody to senior living communities.

Lynnette opens her heart to share moving stories that reveal **music and faiths remarkable power** - from providing a gentle embrace during **times of grief**, to igniting unexpected **moments of joy** among memory care residents, to weaving invisible threads that **connect souls** within the community.

 Have a story to share or want to be a guest? Debi would love to hear from you!

## The Ripple Effect: How Music Creates Unexpected Connections

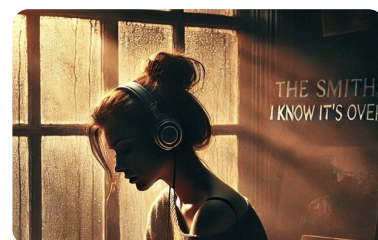

### **A Guitar's Heartbeat**

Ever wondered what the world looks like from inside a guitar? Thanks to Kyle Jones, we see the strings ripple and move in a way that almost looks like a heartbeat. A mesmerizing look at music in motion

### **A Tradesman-Turned Into TikTok Star**

A flooring installer at a care home joined a karaoke session, delighting residents with *My Girl*. His impromptu performance went viral, and he later returned with cakes to thank the staff.

### **The Songs That Saved Your Life**

In 2004, a **BBC 6 Music** poll named *I Know It's Over* by **The Smiths** as the ultimate song for heartbreak, with *Everybody Hurts* (REM) and *Fake Plastic Trees* (Radiohead) following close behind.
